About Us

From Our Trustees

Welcome to T.N. Rao College, where we shape the future and foster excellence. We are dedicated to empowering students to achieve academic, social, and professional success. With a rich history of academic achievement and a strong focus on holistic development, we provide a dynamic learning atmosphere that encourages students to pursue their interests and maximize their capabilities. Our committed educators, cutting-edge facilities, and wide array of programs guarantee individualized support for every student. Come join us at T.N. Rao College and begin your transformative journey towards discovery, advancement, and triumph. Your journey to success begins now.

With the sole objective of transmitting knowledge, T. N. Rao college was established in 1998. And from more than 20 years we are providing our best to convert our students into progressive, responsible, and self-reliant individuals who can serve their purpose in the best possible way for the society and world. To achieve our goal in the best possible way, we aim to provide students with maximum exposure. To support these we believe in celebrating different festivals and organizing social work and extracurricular activities. We encourage our students to organize and participate in different activities to gain maximum knowledge.

From Principal's Desk

As you navigate through this year, remember to take care of yourselves—physically, mentally, and emotionally. Make time for self-reflection, self-care, and meaningful connections with others. And never hesitate to reach out to your teachers, counsellors, or any member of our staff if you need support or guidance. Together, let us make this year a memorable and transformative chapter in your educational journey. Let us seize every opportunity to learn, grow, and make a positive impact on our school, our community, and the world.

Dr. Bharti Rathod
Principal of T.N.Rao College
Ph.D.

Vision

Provide the best environment and services to help students transform themselves into progressive, responsible, and character-built individuals who can contribute in nation-building activities. Instilling in educators a strong sense of ethical leadership, social responsibility, and commitment to the highest professional standards in their practice. Ultimately, the vision is to produce graduates who will make a positive and lasting impact on society by empowering individuals, transforming communities, and shaping the future of education for generations to come.

Mission

Our mission is to help students develop their best version to serve their purpose for the society and nation. Provide students an holistic environment where they can develop qualities like the idea of inclusiveness, shared responsibility, openness, adaptive governance, open acknowledgment, and quality of global life through dignity, dedication, and devotion.
