1.2.3 Course completion certificates

T.N. Rao College of Teacher Education offers a thoughtfully designed array of value-added courses aimed at the holistic development of aspiring educators. From exploring the timeless ideals of Gandhian Philosophy to leveraging modern ICT tools, the curriculum is diverse and comprehensive. The courses range from "Exploring Gandhian Ideals" to "Harnessing ICT for Online Teaching: Google Classroom Training," providing educators with a blend of traditional wisdom and contemporary digital skills.

The college's commitment to fostering essential life skills is evident in its focus on "Mastering Interpersonal Connections," emphasizing the importance of effective communication and relationships. The "Foundations of Computing Literacy for Educators" ensures that teachers are well-versed in basic computing, while courses like "ICT for Effective Online Teaching: Transformative Education with Google Utility Tools" and "ICT for Effective Online Teaching: A Practical MS-Office Approach" prepare them for modern educational challenges.

Moreover, specialized training in "Harnessing ICT for Online Teaching: QR Code and Its Applications" and "ICT for Effective Online Teaching (E-Learning Platforms)" further enhances their digital proficiency. This comprehensive curriculum empowers future educators to thrive in a dynamic educational landscape by integrating traditional values with contemporary tools and methodologies.
