

T. N. RAO COLLEGE OF TEACHER EDUCATION

Managed by : સવ્યસાચી Education Trust, Rajkot

At T.N. Rao College, a teacher's aptitude test is conducted as part of the entry requirements. This test is specifically designed to evaluate the potential teaching skills and educational aptitudes of the candidates, ensuring they have the necessary qualities to contribute effectively to the B.Ed program and M.Ed. The test focuses on various aspects of educational methodologies and pedagogical strategies, aiming to identify individuals who are not only knowledgeable but also possess a natural inclination toward teaching and mentoring students.

In addition to the aptitude test, T.N. Rao College has continuously conducted surveys since its establishment to gather information about students' preferences and interests in cultural activities, sports, and other extracurricular pursuits. These surveys offer critical insights into the diverse interests of the student body, allowing the college to tailor its educational strategies and extracurricular offerings to meet the varied needs of its students. By integrating both the evaluation of teaching aptitudes and understanding student interests, T.N. Rao College strives to foster an inclusive and dynamic learning environment. Over the years, the college has been dedicated to recognizing and nurturing the unique strengths and passions of each student, preparing them for a comprehensive and fulfilling educational journey.
