## Trainees Develop Competence To Organize Academic, Cultural, Sports And Community Related Events Through

### **Report of the Relevant Events Organized**

Teacher trainees at T.N. Rao College of Teacher Education develops competence in organizing academic, cultural, sports, and community-related events through meticulous planning and execution. They gain hands-on experience in planning and scheduling events such as Thangaanat, a Navratri festival, and a trade fair which attracted more than 5000 attendees. Trainees are actively involved in preparatory arrangements, building teams, and conducting events, enhancing their organizational and leadership skills. They also organize the Aesthetic Art Fest, promoting cultural engagement within the institution. These activities provide real-world scenarios where trainees learn to manage and execute events effectively.

In addition to academic and cultural events, trainees engage in community service activities, further enhancing their practical skills. They participate in promoting "Disability Awareness" at Sneh Nirjhar, a school for the mentally challenged, and visit Ramnik Kubarba Vridh Ashram, an old age home. Initiatives like the WOW Project (Wisdom on Wheels) and volunteering at Samarpan Charitable Trust are integral parts of their training. Road safety awareness campaigns at practice teaching schools are also conducted. The knowledge and skills acquired from these experiences are implemented in their practice teaching, reinforcing the importance of community involvement and service. For detailed reports on the work done by the Youth Welfare Committee and Rotaract Club of T.N. Rao College, please refer to the following links:
